EXPLANATION

The B.U.I.L.D. files were in file cabinets in three separate offices: (1) The elected President had his office files in his office; (2) The Executive Director (Mr. Gaitor who ran the organization on a day to day basis) had his own set of files in his office; and (3) the Education Affairs Office (Mrs. Miriam Beale was responsible for all education matters) had its own set of files in that office. Each of the above offices used an alphabetized subject filing system. Folder numbers for the three offices are listed above.
