Juanita K. Hunter Papers

Mrs. Hunter was a registered nurse who was very active in Buffalo’s Afro-American community. She was also active in nursing and health professional organizations. She served as President of the New York State Nurses Association. The papers in this collection pertain to Mrs. Hunter’s involvement in the Nurses Association.

The materials were indexed by Buffalo State College Students Crystal A. Jenkins, Stephanie Dilbert, and Rene Joslyn. The microfilming was done by Tiffany Coke. The project was supervised by Dr. Monroe Fordham.

The records and papers in "Series 2" were discovered after the first collection of Juanita Hunter Papers were microfilmed. The folders in "Series 2" are filmed in alphabetical order.
